An explanation . . .

This book is not just the product of one eighth period class.

It is the period
at the end of the 1953 school sentence,

(no pun intended)
and it is the product of the school.

Being a period

it can afford to look back without tripping because
it is the last in a long
line of student produced activities.

If at times

it laughs at you
don't take it too seriously. It's laughing only
because there is something to laugh at.

Even if it is occasionally serious

in the tradition of all yearbooks,

don't take it too literally.

It is only serious because
it might be judged frivolous
if it were any other way. And we can't be judged
frivolous.

This book could,

if wanted to, talk of the greatness of Jordan
in glowing adjectives.

But it won't because it agrees with the staff
that these adjectives are usually trite,
banal

expressions that while being sincere
are a trifle too mellow.

However, both the staff
and the annual
join me in hoping that you will enjoy reading and looking
at the book as we have

sometimes
enjoyed putting it together.

Charles DeRiemer

Editor

A dedication . . .

Being dedicated to an idea
is much more difficult than to a man
or men
or buildings or so on.

When it was decided
that this annual was to be to an idea
it was tried
to find some way of expressing that dedication
throughout the annual.

This yearbook is dedicated to
individuality

and it is hoped that the yearbook
itself is an individual.

By individuality it is meant
not being dictated to
by ideas or feelings,

men,
policies and concepts. By individuality

it is meant
finding that you are a person with the capacity
and the right

to think for yourself, to express yourself,
to believe in yourself.

This yearbook is meant
to cause thinking
If on nothing else but the yearbook.

administration

Mr. John W. Wilson, our principal. He has spent twenty years helping Jordan and we're still glad he's here.

Our Vice principal, Mr. Richard M. Cline is more deserving of praise than he receives as student activity director **and our Assistant Principal**, Miss Burt Lincoln helped many of the budding seniors with their scholarship and many of the other students with their problems.

INDIVIDUALITY . . .

It's one of the great universal

values.

The Creator held it so precious
that he stamped it upon every object
of creation. Every leaf

in the forest differs from its

neighbor; every snowflake that falls

is made from a design never repeated; every shell on
the beach,

every feature on ones face

is forever unique. The stamp of originality

is in the mind,

the heart

and the soul. It is the value

that each alone, has -

the thing for which he is directly responsible to his maker -

and which he must develop to the utmost

in honor of his God

and to the fullest service of his fellow man.

The amount he has

may be great or small.

He can't determine that - but he can,

and must,

labor to bring it to its possible best.

"If you can't be a highway then just be a trail,

If you can't be the sun be a star;

It isn't by size that you win or you fail -

Be the best of whatever you are!"

At the switchboard Mrs. Brock sees that not all of the phone calls are unnecessary.

Miss Hendrickson, keeper of the gate, opens the door to let us see Mr. Wilson.

Mrs. Gandy has the job of seeing that the doesn't go bankrupt. These nice ladies are the cafeteria workers and we all know what they do. Mrs. Winnemore. We all like her and we usually like her charges, the counselors.

office and such

These are the people responsible for the sounds.

Bob Miles, assistant; Garold Crandall, student stage manager and Mr. Carl Green, stage manager.

stage and sound

When the stage crew and class get something done it is usually due to Mr. Carl Green, Stage Manager, and the two he works with. Glen Crandall, student stage manager and Bob Miles, his assistant, are invaluable assistants.

And the success of many of the productions put on in the auditorium is due in large part to these sound technicians. They do a good job most of the time.

Our faculty, sixty-two strong and still growing,

has tried to lead us

through the maze of thinking, acting and deciding.

Our faculty has not always succeeded.

But more often than not

it was our fault and not theirs.

Sometimes we have recognized what a tremendous task it must be

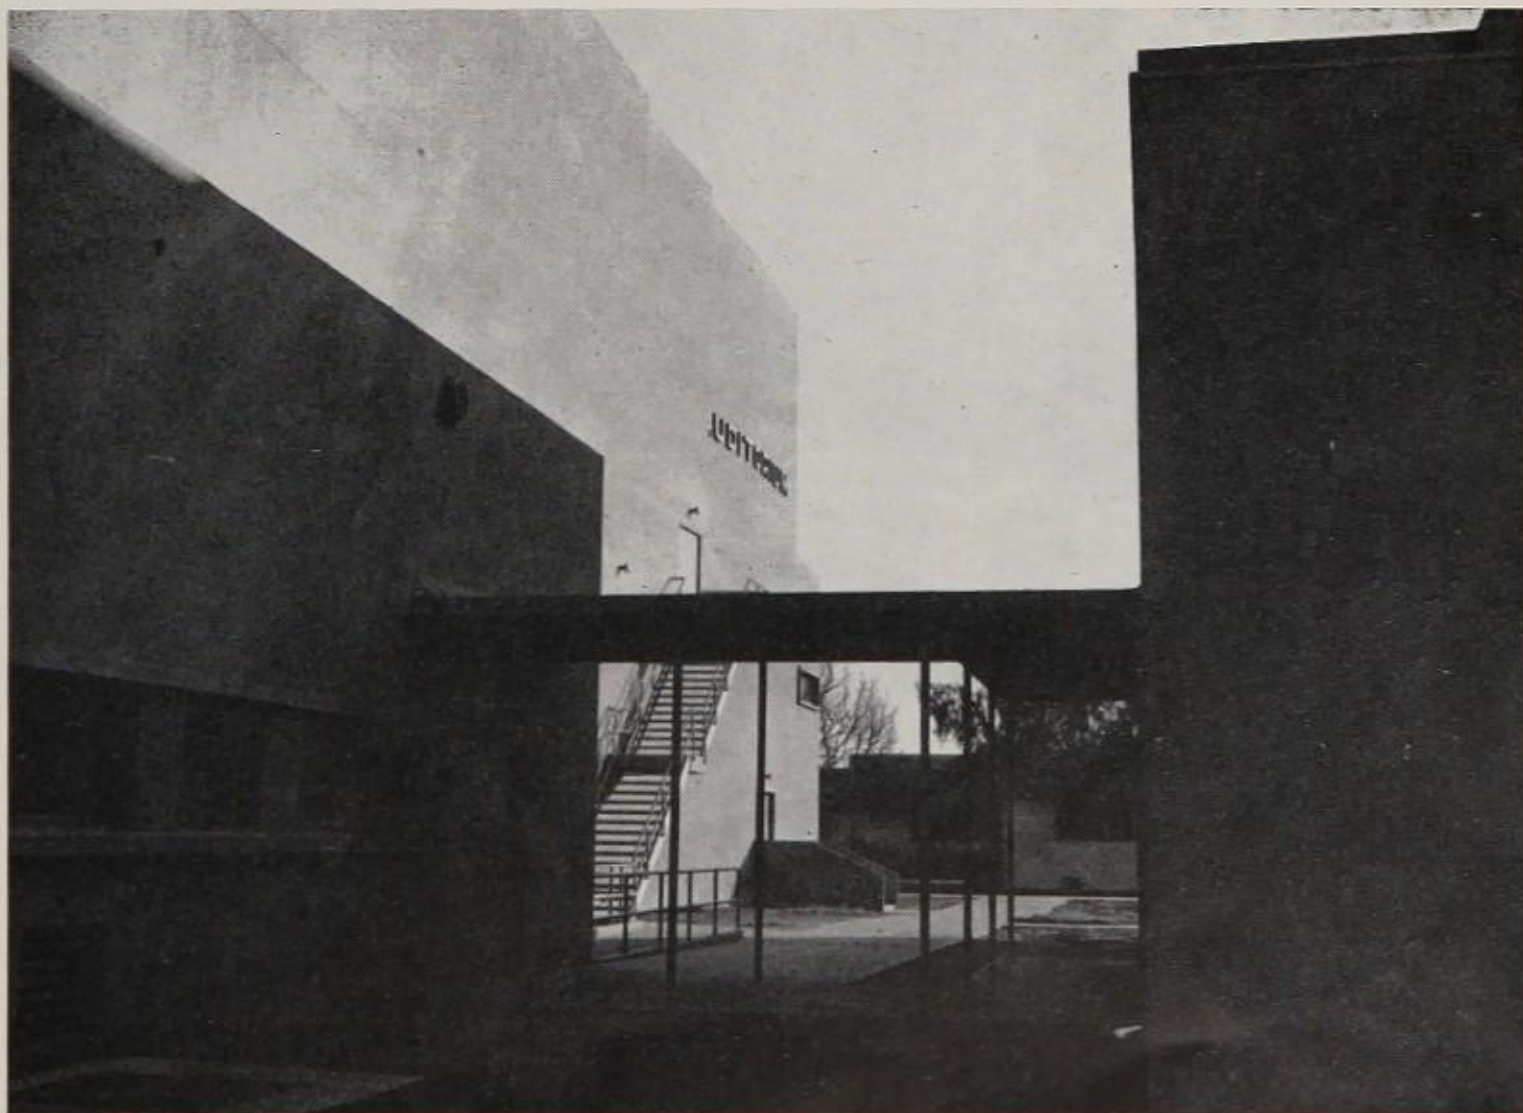

to attempt to teach thirty or more students,

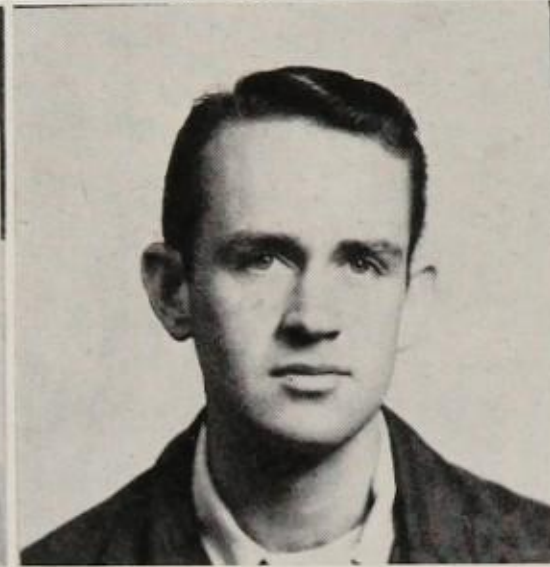

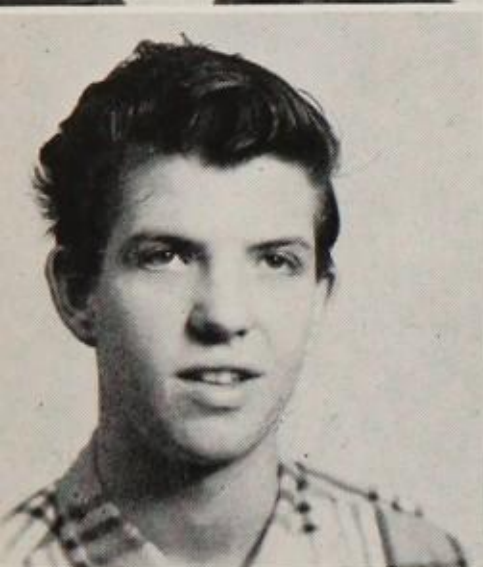

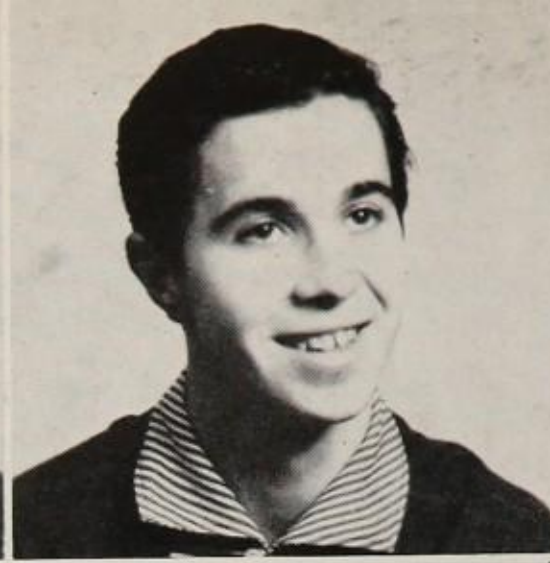

five times a day,

something worthwhile. It isn't easy.

Let's all lift our arms skyward in a silent prayer of gratitude.

These officers, together
with Mr. Cline
and many of the faculty,
were responsible for
the actions
(and sometimes the inaction)
of the student body productions. But
they proved themselves to be
industrious
and resourceful during their
terms in office. Next year's choices
will have a hard time
in bettering their

records.

Our Student Government is composed of most of the representatives from each of all the organizations on campus. The Christmas Party, Leap Year Ball, most of the assemblies and out-side entertainment were due to this organization.

Once a week representatives from all the third period classes met with this group to give the student body's complaints and suggestions.

Our Student Council this year has done a tremendous amount of work. Yes, without them Jordan would have been unable to function within a democratic framework.

This organization represents you in the meetings held every Tuesday in which the problems vital to Jordan are discussed. Girl Yell Leaders, longer lunch periods and other problems have been talked about and answers given.

Because of the high quality of our Student Executive Board -- our student body officers -- they were able to work with Mr. Cline and with themselves in the planning and presentation of many of the school's activities you have enjoyed. Left to right they are: Terry Shroeder, Boys' League; Shaggy Adams, Judge; Nancy Mc Ginn, Secretary; Dale Fairbanks, Student Body President; Sharlene Kelliher, Hostess; Shirley Kuster, Girls' League; and the absentees, Sally J. Johnson, Manager; and Tom Douglas, Host.

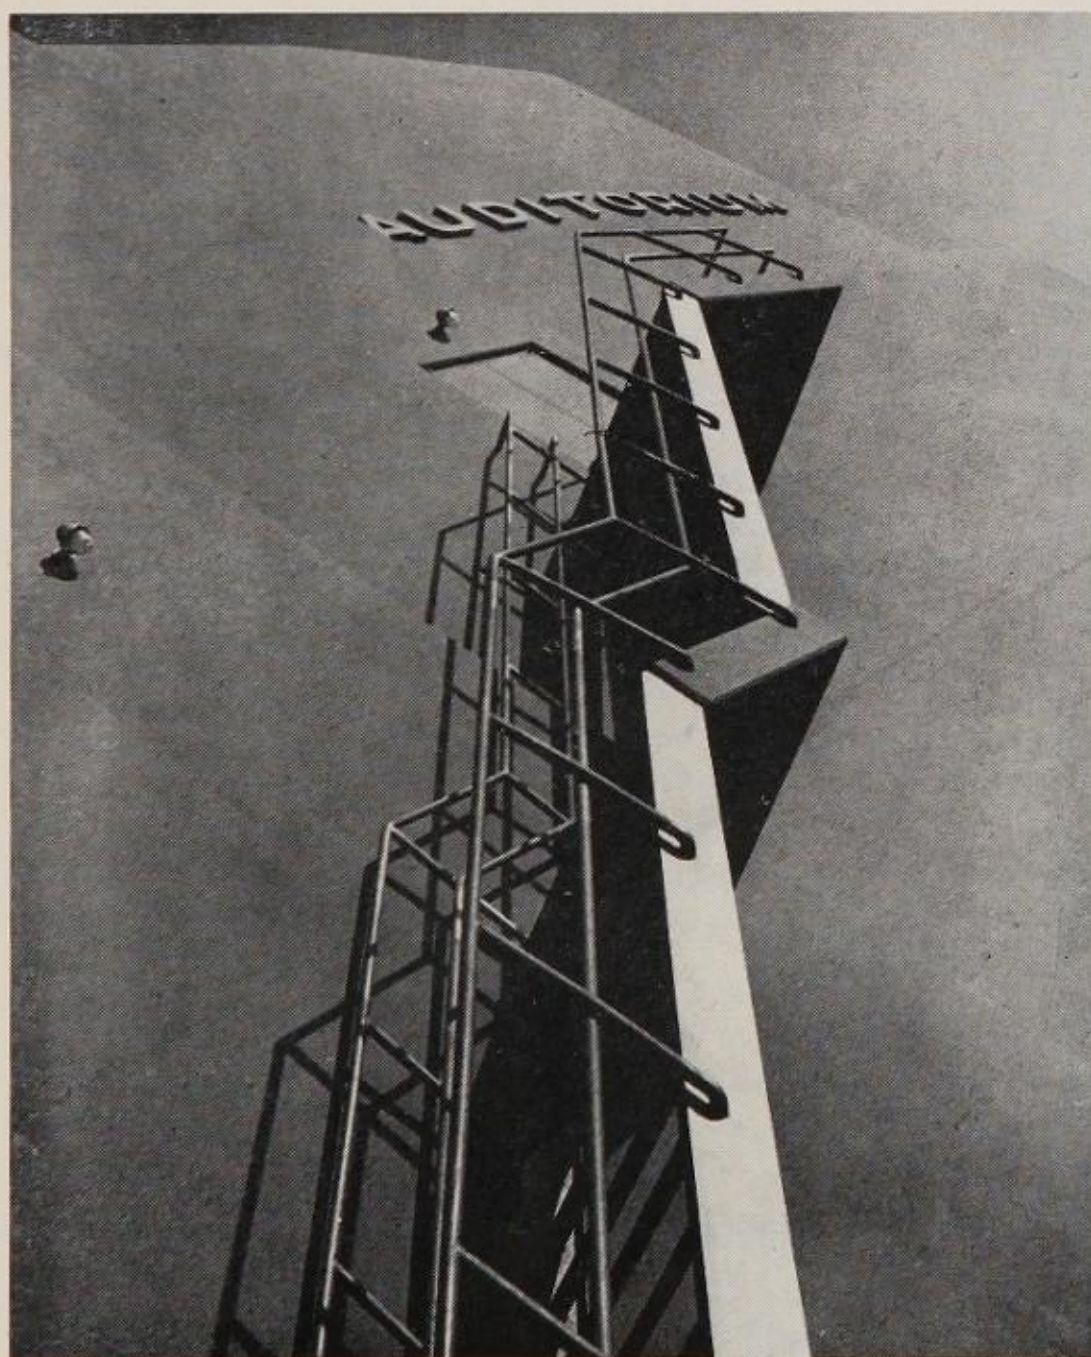

c l a s s e s

Actors and organizers held down the top spots in the senior class this year. Ross and Shirley as Prexy and Veep, Molly and Harold as Sec and Treas were organizing and planning all the goodies that the seniors expected and got. The Ditch Day, the Junior - Senior Prom, the class gift and all the others were due in no little part to the roles these high school politicians played. They were admirably silent when they were asked about the senior gift and admirably complementary when asked about the senior class. They are one slate of officers it would have been hard to beat.

 Molly Fish - Secretary

With the Junior class Bob was the leading man. A large part of the success of the Junior Senior Prom was due to these hard working officers. "Evening in Paris" was as refreshing as the cologne and few couples didn't enjoy themselves. These hours of enjoyment meant weeks of planning for these defenders of the Junior Class.

Well now. The Sophomores.

Larry started the pace the second semester and the class followed fast on his heels.

They were an active class and Jordan was proud of them.

They learned all the nice chants and yells and now are full on the way of becoming panthers from cubs.

All seniors look forward

to graduation. It means honor, adulthood, maturity,
equality and less work. Along with the graduation services is

Vespers in which the seniors
for once sit quietly. But these are things only one class can enjoy.

There is the All School Picnic

in which fun is had by all. There is candy Cotton, candy apples,
and, unfortunately, a few candied hams.

But aside from the few who goof, all the Jordan students

get a big bang

out of being able to throw darts, play golf and throw
tennis balls. It's a physiological release from all the tension
the students are subjected to.

Senior Ditch Day

is great sport. The waivers are signed and the boat leaves.

The boat returns, the seniors get on, the boat leaves.

The seniors aren't relieved, but once

on Catalina they are

of most of their money.

But aside from the Chamber of Commerce of Catalina

everyone enjoys himself.

And in all the school's activities

whether it's on campus or Catalina everyone enjoys himself.

These Jordan co-eds exerted themselves to the utmost; for Jordan, for the team, and for the glory. Cheering the team and most of the time trying to cheer the Jordan spectators, these girls did an outstanding job all season.

Keeping the song leaders enthused were the cheer leaders. These men flashed thru their snappy routines with almost perfection. They too did a very good job, and we can but hope their successors will be as professional.

Twirling their batons in time to the music, and almost always keeping hold of them, these girls were instrumental in causing us to enjoy the games we went to.

With their flags spinning right and left these girls gave our games and assemblies added pep. Yes, they certainly did.

Drilling with precision and pom-poms, these girls displayed the pep and prettiness Jordan is capable of. Showing up at all the games, parades, and pep assemblies they were the epitome of Jordan spirit. Although most of the girls don't know the meaning of the word it is a compliment. It takes many hours, days, weeks to become a Booster. Not because it is exclusive, it isn't.

But because of the work required in learning the routines needed, and those routines are something Jordan can be proud of.

Leading both glees and the A Cappella, Mr. Carl Robertson was adept at inspiring us to new heights. Always popular with the student body, they were more so when they supplied many of the voices for "The Red Mill."

library practice

Shelving books, checking them out, replacing periodicals and so on.

The list of things these members of library practice do is infinite,

and so is their will power for they have to put up with every type of character, both in books and on campus. Due to them is much of the credit for our fine library.

bible club

Non-denominational and open to all is this organization whose function is to study the Bible and its meanings.

Meeting after school once a week in the Canteen, these people are representative of Jordan's sometimes hidden spiritual side.

With representatives from each Social Class,
this group numbered
into the hundreds.

They had a job cut out for them from
the start. They had to notify
the librarians

of their classes' particular needs, informing their classes
of new material and seeing that all the books
are in the right order and
properly checked out when their class is in
the library.

Every semester this group holds a party in the library for its hard
working members.

Designed to develop a spirit of active and intelligent interest, these National Thespians contributed much to the drama highlights of the year. Only those who meet certain requirements established by this organization can join. It is the highest honor a drama student can receive at Jordan, excluding the glory.

Helping the girls become responsible Jordan students and encouraging their participation in activities is the Girls' League.

Their main job this year was the Backwards Dance and Boys' Week.

They are certainly one of Jordan's more useful organizations.

This Dress Regulation Board has seen one of its most effective years, with the result that many of the girls on campus are more conscious of what they should wear and the rules of good grooming. Jordan would have a hard time without this group. But with or without it, the girls still manage to find dates.

With our new printshop, and all the woes of breaking it in, we still managed to produce a newspaper almost every week. Sally and Larry both did a tremendous job as editors and Mr. Robert Ellis proved to be an effective and jolly sponsor.

Even though it was almost two semesters late our annual Cat's Purr Assembly was approved almost unanimously by the student body. The Bell Sisters were the main attraction, ably aided by our top student talent.

Taking their cue from some of the more effective magazines and newspapers throughout the country, the staff tried to raise the Cat's Purr to new heights. Luckily there were enough Superman comics to go around.

With the kind cooperation of Mr. Miller's photography class and particularly Dwain and Gary, the annual got almost all its pictures on time.

As the Trailblazer got closer to the deadline it was feared it wouldn't. But it came out in spite of the class and now you have it. With Mr. Robert Ellis as sponsor and Charles DeRiemer, editor, the annual tried to reflect the individuality of all the students and particularly of the school. Yes, the individuality we all have and we all show. In the newspaper, the parties, the sports, our scraps.

The class had some of the best members of the school to help produce it. And because of this class the annual is one that we hope you will be proud of. Even though we had to have two shops set it up and another company print it, the annual at least reflects the individuality of each of these places. We are particularly proud of the part Jordan's graphic arts shop played in the production of the book. The first 64 pages were set up by Panther printers under the direction of sponsor George Meline. Big gun of the student attack was Roger Dawes but credit is also due Basil and Ronnie and Charles and Joe. Thank heaven for the coffee pot!

Captain J. Perry Cannon and Sargeant John Snow proved able leaders in the development of the military mind at Jordan.

Constant drilling was the cause of the success of our ROTC this year as evidenced by the admiration it drew in the many parades in which it took part. It wasn't all movies and jokes and "at ease" in this group.

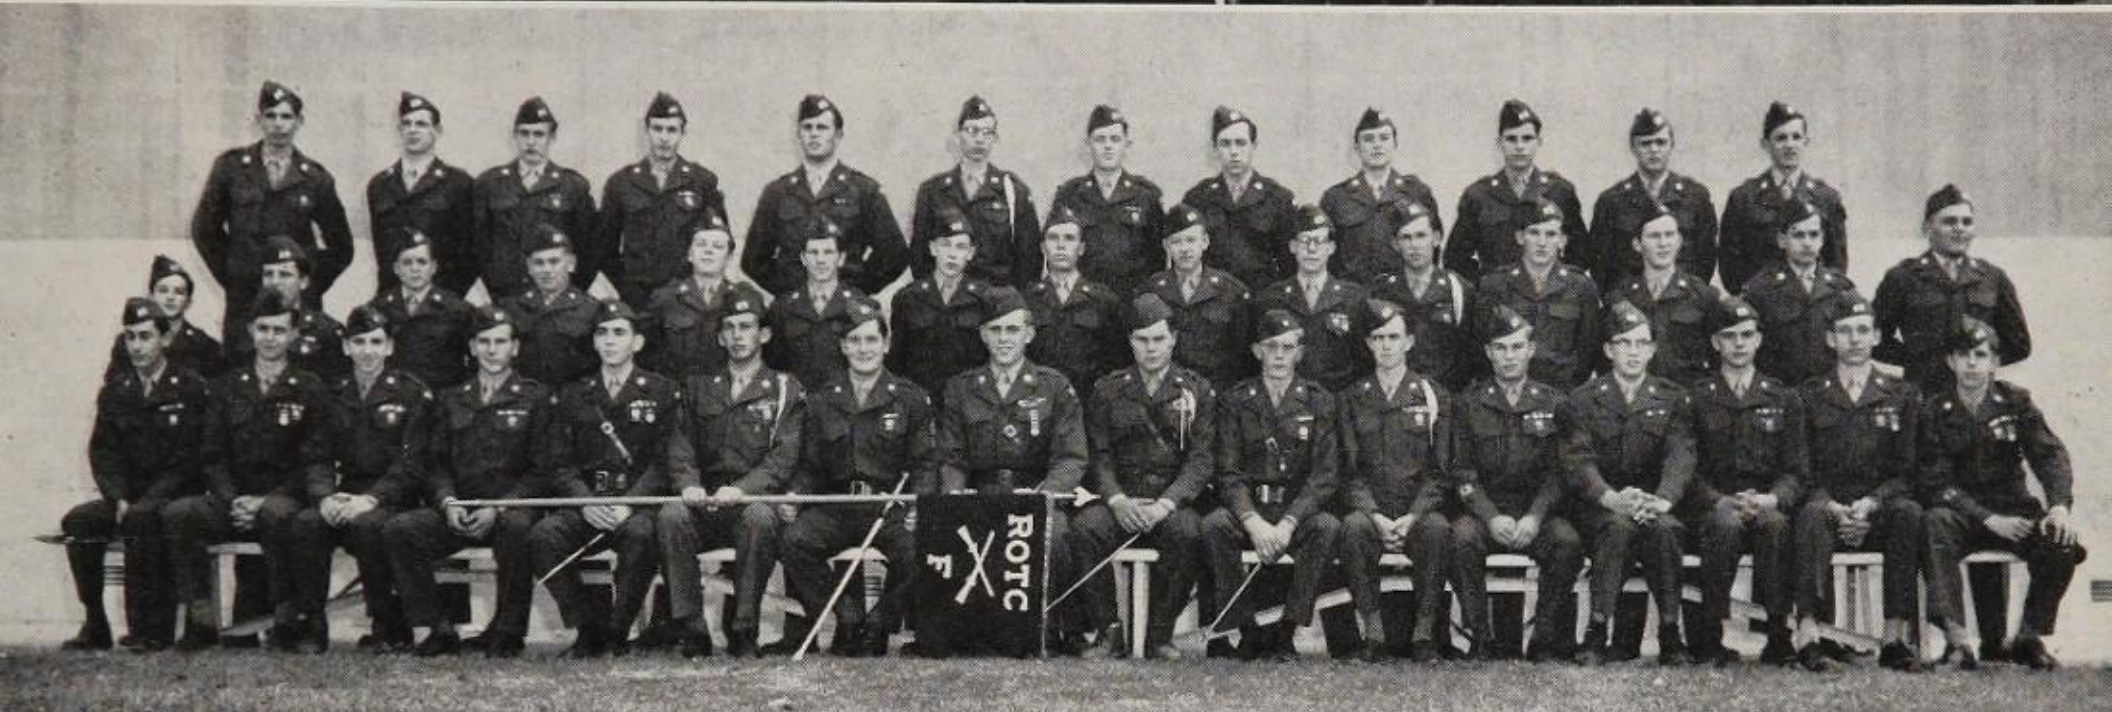

Our student ROTC leaders headed by cadet colonel Bob Burroughs were effective in showing the younger members the ropes and in assisting the instructors in the duties and responsibilities of the ROTC.

Peg wants to go to the dance with Jerry (Ross Westwood) but her aunt (Carol Stephenson) says an emphatic no. But she tells Jerry to meet her outside before the dance begins. They go to the dance and Peg is caught while she sneaks back in. But as all things must—and this is no exception—it has a happy ending . . . and Peg and Jerry live happily ever after.

Irish wit flashed and Irish temper flared as Betty Dale, in the title role, headed a cast of thespians in the three-act romantic comedy, "Peg O' My Heart," which was presented in our auditorium January 28 and 29.

Because of a will Peg comes from America to her English relatives and they try to cure her of her Irish brogue and outrageous manners

Construction of the red mill was the biggest thing in the production of this operetta for the stage crew. But with quick and sometimes expert work they gave Jordan two of the best sets the auditorium has seen, plus the red mill.

The stage production class, directed by Mr. James Milroy, designed the Red Mill and did a very competent and, in the second act, a beautiful job.

Tina was Betty Dale. Kid Conner and Con Kidder, Ross Westwood and Bob Reynolds. And "The Red Mill" was a success. Most of the credit due Jordan's first musical was deserved and given to Mr. Carl Robertson. He supervised the thing the whole time and made sure the actors were on the stage acting. If our next operetta is as well done and finely executed it can only be a success.

the red mill

All the one act plays were a success, thanks to the coaching of Miss Phyllis Jacobson. However, "Piglet, the Story of an Unbaked Ham" was presented by Jordan's Speakers' Workshop. It, we are glad to say, was also a success.

Snowflake Queen Shirley Gustafson reigned happily over the merriment of the "Winter Wonderland" Dance and Party. Before this were the traditional Hymns by the A Cappella and the play by the drama class.

Following, things picked up in the Boys' Gym where dances always seem to be held. The Queen was crowned by Mr. Wilson. Santa Claus arrived in a flurry of creaking bones and the dance began. At the stroke of midnight the crowd was suppose to disperse.

Splashing away at the theme of this year's water show were all the Aquettes. As it was "Fantasy in Color" the whole production was centered around those acts that would create a colorful show. "Blue Moon," "Black Magic" and others made use of flashing costumes and the infrared black light. All of these girls worked long hours to perfect their intricate routines. We all owe them grateful thanks for the fine show they gave Jordan.

The philosophy of sports is too often boiled down to the simple, convenient and entirely misleading point—did you win? Too often sports writers and fans tend to judge the success or lack of same on the part of a team by those statistics appearing under the won and lost column. It is easy to live by such a formula which makes everything either black or white. It eliminates the necessity of thinking, of weighing, of employing the problem solving technique. It also eliminates the human element which, in all our lives, is the thing which is of the greatest importance.

Our yearbook this year is dedicated to the idea of individuality. It is our theme and we have emphasized it in all the preceeding pages. We shall continue to do so in this sports section. This is much in keeping with the time-honored traditions of the past. The Greeks, in their original Olympic games, which we attempt to duplicate today, pitted individual against individual. It is interesting to note that

even today countries do not compete against countries in trying to score points in the Olympic Games. Each event is separate with medals awarded on performance in that event only. Point totals and scores for the whole event are kept only by newspapers who again are conforming to precedent set by the simplified formula.

Thus, to the Trailblazer and the Trailblazer staff 1952-53 was a banner sports year. Nearly half our total student body of 1650 participated in our combined boys and girls athletic program. There they learned the value of true sportsmanship, the importance of cooperation. There their characters were strengthened and their bodies made stronger. There they became better citizens and better individuals. Yes it was a banner year.

The 1952 edition of the Panther grid team was good—good enough to rack up league wins over nearly all conference foes, losing only to the powerful Compton Tartars. But losing to the Tarbabes is no disgrace. In fact, it is becoming a Coast League tradition.

As a prelude to the season, the squad was unveiled against Poly and Wilson in the annual P-TA Milk Bowl game at Stephens Field. Although it was for milk the boys didn't strain and had it in the bag against the Bruins winning 12-0 in the abbreviated tussle. Against the "udder" squad—Poly—the Parkemen played a scoreless tie.

The official season opener against Chaffey was rained out and the season was three weeks old when the locals got their first real test, losing to Inglewood, 13-6. The mighty Moors of Alhambra, always a C. I. F. treat, were next and they took the measure of the Panthers, 20-6.

With the tough practice tilts disposed of, the boys went to work and enjoyed themselves with three consecutive victories over league foes. Wilson went first, 20-6. Poly was next and the Jordanites squeaked through with a 20-19 victory which was won in the closing minutes of play. The largest crowd of the season was on hand for the next clash at Jordan's Memorial Stadium to see the Cats rack up a 20-0 homecoming victory over Excelsior.

The Compton game was the "biggie" with the conference crown at stake. They won, 26-12. 'Nuff said. The team closed against the Downey Vikings by chalking up their highest total of points for a single game during the season, 32 while the Vikes could produce but 7.

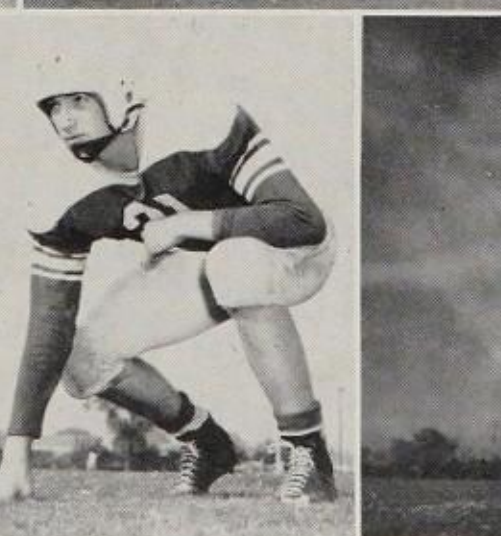

So it was not a big year but it was a good year. The Poly and Wilson wins gave the North Long Beach squad the coveted city title. Next year . . . next year . . . next year . . .

Pacing the Panther attack this past season were a couple of hungry linemen who made things much easier for the backs by chewing up the opposition and spitting it out of the way. Dick Kofhal, rangy 170 pound guard, did so much chewing and spitting that Southern California sports writers named him to the C. I. F. first string team. Also honored was tackle Dick Westphal who ranged alongside Kofhal to make life miserable for the opposition. He was selected to fill a third string C. I. F. berth. Kofhal was further honored by being named local "Lineman of the year."

Jordan's Bee footballers posted a 50 - 50 won-lost record, winning three, losing three, and tying one. In practice tilts, the Panther babes tied Inglewood 7-7, but were trampled by Alhambra 26-0. Coach Bill Crutchfield's squad opened league play on a low note losing to Wilson, 30-0. They followed this with a narrow 6-0 defeat by the Poly Bunnies but then rebounded by copping their final three games of the season. Excelsior fell, 26-13; Compton was dumped, 33-6; Downey was manhandled, 33-0.

The Panther bucket brigade spent the 1952-53 season building for the future. They salvaged only three wins in 12 starts during the practice season and came out on top only twice in ten league jousts. While the team as a whole did not fare too well, there were individuals who brightened the season. Tall Ken Lanhardt led the Panthers from the floor with an 18 point per game average. Ron Goodrich was the playmaker and take-charge guy who welded the team together. Both boys were rewarded for their efforts with All City laurels.

A six-game losing streak at the end of the season caused coach Ben Palmgren to threaten to buy a cucumber ranch. However, he relented when the prospects offered by the return of lettermen Tom Batson, Rex Simon, Larry Webster and Bob Thetford were mentioned.

Rocky Kemp's golf team enjoyed the most successful season in Jordan's history in 1953 as they defeated such teams as Orange, Narbonne, Compton and Anaheim, and scored the major upset of the year by thumping highly rated Santa Ana.

Bob Ashman, Panther top man, shot the city's lowest score, a 71 at Recreation Park. Kent Goodman shot consistently in the 70's, and posted a 72 midway in the season. Bob Henderson proved to be a tremendous point getter and had a low round of 76. Wally Fisher had a low round of 75 against Anaheim and Compton.

Johnny Harding, a sophomore, may be one of the school's best in the future as he already has a low round of 77 with two more years of eligibility. Lyle Merrill, also a soph, scored points in important matches as he filled in as sixth man.

The team posted 11 wins during the 13 matches scheduled.

Coach Reece's thirty-six man squad slowly molded into a cross country team this year. Though the members of the team did not possess the "spark" of league champions, by the end of the season they were a successful competitive team.

Missing few first places for Jordan, Sophomore Don Gilbert was top in the city in addition to being named "Player of the Year" by the Long Beach Independent sports writers.

With Don leading the "pack" of an all returning letterman team, chances for league championship in 1954 are promising.

In water polo coach Herb deVries turned out varsity, Bee and Cee teams which won their share of honors for Jordan. The varsity went into the last round of games with Jordan and Downey in a tie for the first place, Jordan having lost to Downey and Downey to Wilson. As the last game came up we were still tied for first spot in the league. Although Gordo Hall led our boys into battle and to a hard fight they dropped the game with a final score of 3 to 2. The Bee's wound up third in the league standing as did the Cee's.

Jordan Tankmen of '53 have had a fair season. The Varsity wound up fourth in the league. The Bees finished third and the Cees third also. Gordo Hall was the leading varsity swimmer but he was strongly supported by backstroker Dave Short, breaststroker Bob Denver, and diver Russ Clark. Sim Frazier led his Bee men to victory numerous times by winning the 100 and 200 yard freestyle event in almost all of their meets. Sim had strong backing with sophmores Don Hamilton, Howard Oldham and junior Leon deVries. The Cee's although greatly handicapped by inexperience did quite well. Coach Herb deVries said, "In all, I am quite pleased with my boys."

POLE VAULTER—Gary Colvin

With dual meet competition completed and Coast League finals over, Panther track men were busy pointing for the C.I.F. finals with three varsity performers and one Bee star leading the way. Sprinter Rickey Maris with a 10.1 in the 100 yard dash to his credit was rated an excellent chance along with hurdler Bob Thompson. Also in contention for C.I.F. honors was Bob Humphreys in the shot put who is capable of marks around 48 feet.

Jordan was pinning most of her track hopes on the varsatile Darrell Stratton who dropped down after competing against varsity men all season to meet men in his own Bee class. Stratton served notice in Coast League prelims and finals when he cracked two league records—the 100 in the fast time of 10.1 and the broad jump with a leap of 21.3.

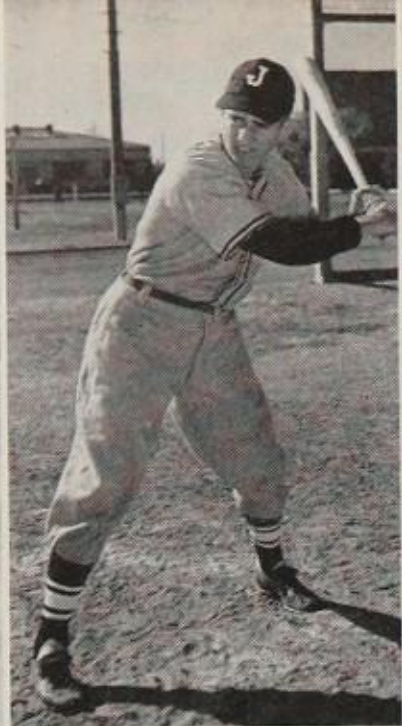

Others who won places in the Coast League finals were: Varsity—Ed Lauer, 100; Don Anderson, pole vault; Dick Maynard, high jump. Bee—Bob Jensen, hurdles; Dean Fife, 1320; Gary Colvin, pole vault. Cee—Jim Lay, 100 and 660; Clyde Bergendahl, hurdles, broad jump; George Panek, hurdles; Bob Summers, 100; Don Gilbert, 660; Arthur Gerhardt, low hurdles; Hollis Lewis, broad jump.

Coach Bill Crutchfield's varsity horsehidors showed early signs of being a winning combination as they posted seven victories in the first 11 starts. However, a month delay in the opening of the Coast League season seemed to slow the squad down and as the end of the loop season approached the Panthers were tied for the cellar spot with a record of three wins against five losses.

However, some of the losses were real heartbreakers. Ace hurler Rich Downing pitched two games within four days, gave up just three runs, and lost them both—1-0 to Wilson and 2-1 to Downey.

Again, here was a team which, while it did not always win, always played well and, most important, always enjoyed playing. The mound staff was three deep with Downing supported by Sam Lacey, the "Georgia Peach", and "Spunky" Hull, who held down the centerfield slot when not on the hill. Receiving their slants was Jimmie Johnson with Earl Finney and Ken Piercy on hand for backstop relief work. In the infield, Bill Gibbs held down first and the hard-hitting Dick Newman handled third. The Keystone combo was right with Bill Swanner at second combining with "Rabbit" Martinson, shortstop. Duane Brown and Rex Simon along with Hull made up the outfield. Top utility man was Jack Brick who filled in at first or in the outfield.

It was a good team, one we were proud of.

With the tennis season moving into its final stages as the Trailblazer goes to press it is safe to predict that the Panthers will not cop the league championship—if that is what you are interested in. But probably no group on the campus had more fun and learned more about sportsmanship, teamwork and fair play than the racquet squad. Coach Doc Cure and JV mentor Joaquin Miller produced a well balanced team which, by the end of the season, was functioning smoothly. Early season matches proved rough and it was not until mid-season that the squad was settled with junior John Chamberlain doing a capable job as top singles man man. With juniors in the majority, 1954 could be the Panthers' year.

Jordan's G. A. A. is one of the oldest organizations on our Campus.

In 1933 there were only two clubs in G.A.A., Seasonal Sports and Advanced Tennis. Now we are one of the largest active organizations on the campus. The recognized sports clubs for girls are Aquettes, Badminton, Bit and Bridle, Bowling, Jordan Blades, Rolling Panthers, Rifle, Seasonal Sports and Tennis, beginning and advanced. The purpose of the Girls' Athletic Association is to promote athletics for girls, serve the school, and guide the members to good health and sportsmanlike habits.

volleyball

Volleyball is another of our yearly seasonal sports. This year we traveled down town to Poly, for our annual sportsday. We also took a G.A.A. swimming and tennis team along. Marianne Kerr took over the job of manager she was very interested in volleyball and in turn had a lot of girls out.

softball

Softball is an annual seasonal sport at Jordan. This year the girls traveled to Compton for a combined Sportsday. Jordan took two softball teams to the Sportsday and a good time was had by all the girls who participated in this activity. Cleatus Thompson was the Softball manager.

Last fall, November 5, our G.A.A. Seasonal Sports group was hostess to Compton, Downey, Poly, and Wilson at a Basketball, Tennis and Swim Sportsday. We had six basketball games going at once as each school brought an "A" and "B" Team. This was one of the important projects of the fall officers and the day was a great success. Jo Rae Turner was president and helped to make this a day of fun.

tennis

The **G.A.A. Tennis season** is during the first semester of school. We played Compton, Poly and Wilson at home and traveled to Downey and Excelsior. Many juniors and sophomores were on our team this year and and next year as we will have many experienced players retrprning, we should have a very successful season. Marlene DeMann an dBetty Salisbury shared responsibilities of managing this team.

Badminton is a second semester sport. We use the courts in the gymnasium for our practices and meets. We had many successful meets with the other badminton clubs of the other schools. Our Manager was Evelyn Henley a junior on our campus.

speedball

This was the first time speedball had been played on our campus since 1950. This sport is based on basketball, football, and hockey. The playday for this sport was at Downey High School. Our Manager this season was Sophomore Betty Moran who did a terrific job with this sport and kept the girls interested.
